Welcome Letter

Welcome to Osler Medical Patient Financial Services Department

We at Osler Medical continually strive to create and deliver high quality Healthcare and patient financial services which represent value to our customers. With this in mind, we have created this section of our website.

In addition to our website, we are pleased to provide **online bill pay** to our patients.

I encourage you to take a few minutes to browse through our site. I trust that you'll find it to be very functional, informative and easy to use.

We appreciate your business and look forward to taking care of all your Patient financial service needs.

Sincerely,

Randy I. Stein
